

i-tec USB-C Storage Docking Station 4K HDMI + Power Delivery 85W

i-tec USB-C Storage Docking Station 4K
HDMI + Power Delivery 85W

PRODUCT DESCRIPTION

This docking station combines connectivity, laptop and tablet charging, together with the option to comfortably save or back up data. The docking station has a slot for an internal 2.5" disk (HDD or SSD), so that whenever you connect to the docking station, you have access to fast and secure storage.

If you often store large volumes of data, frequently work with memory cards or if you wish to back up your data regularly, then this station is the right choice for you. Besides having access to the internal disk, you can of course also connect this station to an external monitor or television (resolution of up to 4K), use two USB ports and last but not least you can connect the docking station with your USB-C charger, which will in turn provide electric power of up to 85 W for your laptop or tablet (depending on the capacity of your charger).

- Connect your external monitor with a resolution of up to 4K/30 Hz (or up to FullHD with a frequency of 120 Hz)
- Internal slot for a 2.5" disk (HDD or SSD, maximum height of 9.5 mm)
- 1x USB 3.0, 1x USB-C 3.1 (a USB-C to USB 3.0 adapter is also available)
- Supports Windows 10, macOS, Android, Chrome OS and Linux
- A 40 cm USB-C connecting cable and a USB-C to USB 3.0 adapter are included

PRODUCT FEATURES

- 1x USB-C port for connecting to a device with a USB-C or Thunderbolt 3 (40 cm USB-C connecting cable is included)
- Power Delivery: 85 W
- Video ports:
 - 1x HDMI
