

i-tec USB Smart Charger 5 Port 40W / 8A

i-tec USB Smart Charger 5 Port 40W / 8A, for iPad/iPhone, Samsung phones and tablets on all USB ports

PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

i-tec USB Smart Charger 5 Port 40W / 8A is a network-based USB charger for mobile phones, tablets, GPS navigations, powerbanks, music players, cameras and other types of digital equipment. You can charge up to 5 pieces of USB equipment simultaneously. All USB ports DC 5 V / max. 2.4 A are designed for fast and efficient charging of mobile equipment requiring high charging current. Further, they include special identification circuits for the iPad/iPhone and Samsung phones and tablets. The AC 100-240 V input enables global use. This USB charger can be used in homes, in business centers and also in offices.

In case of problems with the installation, technical difficulties or incorrect function of the equipment, check first for the possible solution in the FAQ tab.
