

i-tec MySafe 2.5

i-tec MySafe 2.5" USB 2.0

DESCRIPCIÓN DEL PRODUCTO

i-tec MySafe 2.5" USB 2.0 is an external aluminium enclosure for all 2.5" SATA I, II, III HDD and SSD disk with height up to 9.5 mm. An elegant black surface with an orange border. This enclosure metal body is rubberized so that it fits well in your palm the same as it is safe from coincidental fall from your desk surface. Connection to PC is possible via USB 2.0 interface. The device is compatible with newer standard USB 2.0 and older one 1.1 as well. Thanks to integrated cable you can connect this case to your laptop very quickly and comfortably. An extension cable for connection to farther USB ports, for ex. in PC, is included in the package.

In case of any problems with installation, technical difficulties or faulty functionality of device find the possible solution in FAQ bookmark first.
